

Bunting PDF

What You Will Need

- Main Fabric for the front of your Bunting - this can be any Fabric
- Backing Fabric for the back of your Bunting (I would suggest Plain Fabric or Calico as it won't be seen if hung against a wall)
- Scissors/Rotary Cutter
- Cutting Mat
- Bias Binding (pre-folded) or Ribbon
- Co-ordinating Thread
- Thick Knitting Needle or Point Turner
- Triangle Template ([Download PDF](#))
